January 19, 2010

Students, Parents, and Community Members,

Please save the date! On **Wednesday, February 3<sup>rd</sup>**, at **7:00 in the PAC at MHS**, there will be an informational meeting about the upcoming Bond proposition that will be on the voting ballot this Spring here in Monroe. Superintendent Dr. Ken Hoover, Assistant Superintendent John Mannix, MHS Principal John Lombardi, and MHS Athletic Director Brett Wille will be there to share important information regarding the items on the Bond as they relate to athletics. These items include a full renovation and upgrade of the 3 MHS baseball/softball fields to make them competition quality, including field turf, lighting, and batting cages. The proposition also includes an auxiliary facility that will serve as extra space for PE classes and as a mat room for Wrestling.

Your attendance at this informational meeting is much appreciated as we begin to plan ahead at making these wishes and needs for our students become a reality. These facilities will also be for community use, so please feel free to pass this information along to anyone that might be interested in supporting athletics here in Monroe.
